

SCAVENGER HUNT

Find it...Do it...Photograph it..

ASCE YMF will meet at Wall Street Cantina on Thursday November 12th at 6:00pm to start the race. Come and team up with others to spend two hours racing around downtown Orlando to find and photograph things and activities...

(hanging basket, group photo with a UCF shirt, a group member holding chains, a cocktail napkin with a purple ring, group with green drinks, and the list goes on....)

Can you photograph them all? ..before the others do?

This unique event is complete with prizes for the winning team.

No camera, no problem come team up with a group that has a camera only one needed per group. Questions or want to help?
